## New Procedure for Picking Up Your Child from Faith Formation Classes

Our procedure for picking up your child from Faith Formation will be different in 2020/2021. Please park in designated parking lot spaces and walk forward to wait under the canopy near the front doors. **(Anybody who comes to pick up a child should park in designated parking areas of the lot only. The circle drive is NOT a designated parking area, nor is stopping your car across the handicapped spaces.)**

Our catechists will wait inside with the children until they see you have arrived before they allow your child to exit the building. Children will not be released into the parking lot. *Please remember that when it's dark outside, we can't see into your car to know if it is you.*

Parents will have the opportunity to provide us with a list of people who may pick up their child. Such designated persons must follow the procedure outlined above. If we do not know the designated person, we will ask for identification the first time they come.
