## What Are People Saying about St. Elizabeth Area Catholic School?

*"For our family, St. Elizabeth Area Catholic School was one of the best decisions that we ever made for our children's education. They were very comfortable learning and growing there. The environment fostered their educational & spiritual needs. We knew it was a place where the kids were valued, nurtured, encouraged & safe." ~L.S. Parent of a SEACS Student*

*"I love St. Elizabeth's because the teachers are great and we learn a lot. Another reason I love my school is because the students are all nice to each other. ~C.B. Current SEACS Student*

*"I love St. Elizabeth's because of the care the teachers give every single one of the students here. The students and staff are always there when you are feeling low to lift your spirits and have you ready to reach higher. The environment makes each child want to learn and makes us ready for life in the future. ~B.D. SEACS 2018 Graduate*

*"St. Elizabeth's provided me with a solid intellectual and spiritual foundation on which to pursue my life goals. The school's small class sizes, dedicated administrators and teachers, and Christian-based approach to education make for a unique academic experience." ~B.H.
